DEAR GOVERNOR PATERSON—New York City needs its homeless shelters more than ever before. The shelters are the safety for those hardest hit by the economic crisis.

SHELTER CENSUS IS AT AN ALL-TIME HIGH

GOVERNOR'S FY2011 BUDGET

- The 25% reduction will cut vital services that keep New Yorkers off the streets.
- Shelter residents should be saving to move out, not paying rent and remaining homeless longer than necessary.
- Closing shelters or removing services will result in increased homelessness and layoffs of human services workers.

This critical funding must be restored in full.
